July 22

Securing & Protecting Rights in Your Works: Essential Law for Designers & Creators of Metal Art

While jewelry and other 3-dimensional designs may be eligible for copyright protection, the law poses unique challenges for designers working, marketing, and selling these items. An intellectual property attorney with Washington Lawyers for the Arts will present this interactive session designed to help you understand the laws governing the design, creation, ownership, marketing, and distribution of your work. Space is limited; to attend call or email info@thewla.org.

Tacoma Public Library Main Branch, Olympic Room, 1102 Tacoma Avenue S.
6:30 - 8:30 pm :: Contact WLA for details
206.328.7053 :: WWW.THEWLA.ORG
